

is pleased to announce that its client

has been awarded loan and grant monies from the U.S. Department of Agriculture through BIP Round 2 funding made available by the American Recovery and Reinvestment Act, totaling:

**\$5,559,975**

The funding will allow Waitsfield and Champlain Valley Telecom to extend deployment of high-speed Internet access to its rural Vermont service areas with advanced fiber-to-the-home technology. This critical infrastructure project will bring affordable, reliable Internet access at speeds from 5-100 Mbps to 1,385 residents in 8 funding areas.

Bodamer Consulting was strategically instrumental in the preparation of the business case, pro-forma financial model and ARRA Application in support of WCVT's Business Plan.
